Buisness Pitch Deck

Introduction to AVION

An online furniture platform where you can find the best quality products featuring the latest technology.

Problem Statement

72% of women aged 25-45 feel existing furniture platforms:

1. Lack of personalization options
2. Fail to combine aesthetics with functionality
3. Product delivery issues

AVION

Solution

03

FAQs:

What materials do you use for your furniture?

Do you offer a warranty on your products?

How do I maintain my wooden furniture?

Can I visit your showroom to see the furniture in person?

Is cash-on-delivery available?
