Q2: MARKETPLACE - BUILDER - HACKATHON - 2025
DAY : 01
Marketplace Type: "E - Commerce."
Primary Purpose:-
E-Commerce (Electronic Commerce) is
Known for the online business (e.g.,
known for the online business (e.g., buying a selling products or services online)-
It's primary purpose could be defined as
making the products or services "available
It's primary purpose could be defined as making the products or services available and accessible on a single tap without
any worry to take time and by
visiting the respected shop.
and the second s
E-Commerce has baught a revolution to the
world of business, the major affect is the
customer from different city or curty can
by 4 sell anything.
""
GTEP ⇒ 02"
Business Goals:
Q: What problem does your marketplace aim
to solve?
It lason a last the last
Ans: Well, after having a look to the furniture
related stores, I got some ideal and
major problems that I think I have
on my target.

Q2 : MARKET PLACE _ BUILDER - HACKATHON _ 2025
DAY: 01
Question 1: Remaining Answer:
Even, 2 years ago My uncle ordered some furniture related stuff from darag and
furniture related stuff from darag and
it was shipped from Lahore to the
it was shipped from Lahore to the Kavachi and then the issues we faced
I'm writing below-
Critical Challenges are on my target:
Critical Challenges are on my target:
It is the product " which many people are
conscious like (Dimensions, Designs etc).
Also, as it may contain some bigger  products so, they charge the delivery fee accordingly which I think I should book
products so, they charge the delivery fee
accordingly which I think I should book
on It.
When I purchase anything online I trust
the user or customer's reviews and
everyone relay on that so It's also a
vey feature-
0:- Who is your target audience?
Ans: In this business I'll prefer and target
use wernen includes (All pemales, house vives) etc.
because our mothers 4 sisters have much
more knowledge 4 passion to decorate homes-

02: MARKETPLACE _ BUILDER _ HACKATHON - 2025 DAY: 01
O: What product or services will you prefer?
Ano: As per the template I'm going towards  purinture and all the products that
are in the same domain I'll larget and launch them.
Nowadays, E-Commence is growing rapidly but, the jurniture is still neglected. So, I'll hows on that-
0: What will set your marketplace apart?
Ans: The products related to furniture are comparisively bigger in the size and its dimensions
forces the stone owners to ship them on the respected sized vehicles.  ( So, It is directly proportional to the delivery )
This is the problem that I personally faced
and make it affordable for every align
ony antry-
Denow the speed 9s also much important but, affordability and good quality is always a first priority I'll go with that
